

**I WAS IN LABOUR FOR THREE DAYS.  
MY BABY AND I COULD HAVE DIED.  
WE SURVIVED BECAUSE THE MILITARY HOSPITAL  
TREATED THE MOST URGENT CASES FIRST.**

HEALTH CARE**

**IT'S A  
MATTER  
OF **LIFE**  
& **DEATH****

[www.healthcareindanger.org](http://www.healthcareindanger.org)

Health-care workers must provide care impartially. For combatants and the authorities, this means allowing medical personnel to prioritize treatment solely on the basis of need and without discrimination.
