Title:	Justice on hold : accountability and social reconstruction in Iraq
Host item entries:	International review of the Red Cross,
Author zone:	Eric Stover... [et al.]
Language(s):	eng
Abstract:	This article takes a critical look at the accountability measures implemented by the United States in Iraq. What is needed is a secure environment and a legitimate authority to implement a comprehensive transitional justice strategy that reflects the needs and priorities of a wide range of Iraqis. Such a strategy should contain several measures, including prosecutions, reparations, a balanced approach to vetting, truth-seeking mechanisms, and institutional reform.
