Title:	The International conference of the Red Cross and Red Crescent : challenges, key issues and achievements
Host item entries:	International review of the Red Cross,
Author zone:	François Bugnion
Language(s):	eng
Abstract:	Since the constituent Conference in October 1863, which gave birth to the Red Cross, the International Conference of the Red Cross and Red Crescent has met on thirty occasions. What contribution has the Conference made to the development of international humanitarian law and humanitarian action? What are the main challenges that the Conference has had to face? Where has it succeeded and where has it failed?
