National prosecution of international crimes and universal jurisdiction / Philip Grant

Document type:	Chapter
Title:	National prosecution of international crimes and universal jurisdiction
Author zone:	Philip Grant
In:	Droit international pénal : précis
Editor:	Bâle : Helbing Lichtenhahn, 2012
Physical description:	p. 579-604
Languages:	English
Abstract:	The present article [...] will firstly limit itself to briefly expounding the meaning of "jurisdiction" over international crimes. It will then review the conditions set out in international law concerning the establishment and the exercise of criminal jurisdiction over international crimes, both with respect to the so-called "traditional" titles of jurisdiction and with respect to the principle of universal jurisdiction.
