Jus post bellum in the age of terrorism / introductory remarks by Kristen Boon ; remarks by Larry May... et al.

Document type:	Article
Title:	Jus post bellum in the age of terrorism
Author zone:	introductory remarks by Kristen Boon ; remarks by Larry May... et al.
Host item entries:	Proceedings of the [...] annual meeting of the American Society of International Law,
Languages:	English
Abstract:	These contributions critically assess the place of the nonstate actor in the context of jus post bellum in light of the war on terrorism and the increase in intra-state conflict. In particular, they discuss the philosophical justifications for a jus post bellum, its contents and scope, the limits of the concept as compared to transitional justice and the law of peace, and how jus post bellum might be applied to conflicts in Northern Ireland and Afghanistan.
