Editor:	[S.I.] : Carr Center for Human Rights Policy, Harvard Kennedy School, 2010
Physical description:	43 p. ; 30 cm
Languages:	English
General Note:	Photocopies
Abstract:	Is warfare turning into lawfare ? In other words, is international law undercutting the ability of the U.S. to conduct effective military interventions ? Is it becoming a vehicle to exploit American values in ways that actually increase risks to civilians ? In short, is law becoming more of the problem in modern war instead of part of the solution ?
Authors:	Dunlap, Charles J. Humanitarian Challenges in Military Intervention (November 29-30, 2001 : Washington D.C.)
