The history of international humanitarian law treaty-making / Frits Kalshoven

Document type:	Chapter
Title:	The history of international humanitarian law treaty-making
Author zone:	Frits Kalshoven
In:	Routledge handbook of the law of armed conflict
Editor:	London ; New York : Routledge, 2016
Physical description:	p. 33-49
Languages:	English
Abstract:	This chapter retraces the history of international humanitarian law treaty-making, from the first IHL treaties to the present. The main IHL instruments are presented chronologically, from the Declaration of Paris (1856) all the way to the Third Additional Protocol to the 1949 Geneva Conventions (2006). For each treaty, the author provides a brief description of the context in which it was adopted.
