Document type:	Book
Title:	Humanitarian logistics and supply chain management : people suffering in war need your skills
Author zone:	ICRC
Editor:	Geneva : ICRC, August 2018
Physical description:	4 volets : fotogr., diagr. ; 21 cm
Series:	In brief
Language(s):	eng
Abstract:	The ICRC hires a variety of skilled professionals to provide agile and reliable logistical support. In all our work, logistics is vital: almost 25% of our staff work in logistics and their activities cover all segments of the humanitarian supply chain. This leaflet explains the different career opportunities you could have with us. It includes a quick presentation of each part of our Humanitarian Logistics and Supply Chain Management Division and the qualifications, skills and experience we are looking for.
