Editor:	[Geneva] : [ICRC], [December 2019]
Physical description:	[8] p. : fotogr. ; 21 cm
Series:	[In brief]
Language(s):	ara
Abstract:	A brief introduction to our microeconomic initiatives, such as productive grants, vocational training and microcredit. Read how these initiatives help people affected by conflict to earn a living or improve their employability. Through economic security programmes such as these, we bring victims of armed conflict and other violence rapid and flexible assistance to meet their essential needs and cover unavoidable expenses in ways that are sustainable and respect their dignity.
