| General Note:         | Only available as a PDF  |
| Language(s):          | rus  |
| Abstract:             | This publication explains how the Family Links network operates and why its services are so important. It describes situations in which family separations occur, and the many ways in which the International Red Cross and Red Crescent Movement supports dispersed families and families of missing people. |
